# Invitation

Dear Attendees,

Scientifink is proud to announce the International Forum on Nursing, Healthcare Management & Patient Safety Conference, to be held during May 27 & 28, 2024, in Double Tree by Hilton, DUBAI, UAE.

On this auspicious occasion, Nursing Dubai 2024 invites participants from all over the globe to take part in this flagship conference with the theme “Nurses Together for Global Health Advancements”. Nursing Dubai 2024 aims in affirming knowledge and share new ideas amongst Academicians, Researchers, Nursing & Healthcare Professionals, industrialists, and students from research areas of Nursing, Healthcare & Education to share their research experiences and indulge in brainstorming discussions and technical sessions at the event. The conference will also have a space for companies and/or institutions to present their services, products, innovations, and research results. If your company/organization is interested in participating in this event, then please let us know the same.

We have put together a program taking into account your interests. We have not only increased the number of opportunities for you to network with colleagues around the world, but we have also introduced additional target sessions which will include cutting-edge presentations, special panel discussions, and more lively interaction with speakers from different spectra.

This exciting and informative conference includes Keynote lectures, Oral sessions, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world.

Attend the Nursing Dubai 2024 with your peers, exchange experienced knowledge, and arm yourself with the most recent Innovations to enhance further in your career.

We look forward to meeting you in Double Tree By Hilton, DUBAI, UAE 2023.

**Best Regards,**

**Nursing Dubai 2024**

**Scientifink**

## About the Event

Nursing Dubai 2024 offers a tremendous opportunity to meet and make new contacts in the field of Nursing, Healthcare Management and Patient Safety, by providing collaboration spaces and breakout rooms with tea and lunch for participants between sessions with invaluable networking time for you. It allows participants and delegates to have issues addressed on Nursing, Healthcare Management and Patient Safety, by recognized global experts who are up to date with the latest developments in the field and provide information on new research. Nursing Dubai 2024 is an International conference that will feature world-renowned keynote speakers, plenary speeches, a young research forum, poster presentations, technical workshops, and career guidance sessions.

Nursing Dubai 2024 creates an international forum for Professors, Academics, Researchers, Scientists, Nursing Professionals, and Healthcare from all over the world to discuss the latest issues.

The Conference will have an area for firms and/or establishments to gift their services, products, innovations, and analysis results. If your company/organization is inquisitive about taking part in this event, then come and be part of this.

Hope you will take this opportunity to join us and visit the city of DUBAI, UAE

Sponsorship powerfully influences the audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique programme of conference and learning sessions.

Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

## Why to Sponsor?

## Exhibitions allow you to advance all your marketing goals:

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

**Scientifink** is initiated for conducting online and Physical events globally. Scientifink, involves in planning, Organizing, and executing scientific events across the globe with people from different scientific backgrounds coming together and participating in these events. Our attendees include academicians, professors, students, and Industrialists whom they come together to join and share their knowledge. Our organization believes in imparting holistic and sustainable development with the mission to ignite young Turks and prepare them for future challenges.

Our focus is to make available scientific research articles in all areas of education easily accessible by researchers and academicians based on the open-access platform. We believe that the open-access model will create a dynamic space for learning, sharing, and stimulating research all around the world.

We provide the opportunity of free, unrestricted access to excellent research articles to academia, researchers, and interested individuals who seek knowledge and enlightenment. Mind Authors Inc. believes that knowledge should be easily accessible without restrictions. It understands the unique challenges faced by researchers in their work toward achieving their personal and professional fulfillment.
